HEALTH AND WELLBEING

WHATS HAPPENING? You'll have the opportunity to receive a mini health check, where you can have your blood pressure and oxygen levels checked.

WHERE? St Annes RC Primary School (entry via the office)

WHEN? Tuesday 28th January at 9am & Friday 31st January at 9.15am

WHO? Pupils, staff, and the wider community

WHY? This is a great way to keep an eye on your overall health and identify any potential issues early on. We'll also be asking attendees to complete a short questionnaire to help us better understand the health and wellbeing needs of our community.

HEADTEACHER MESSAGE I would like to personally invite you all to attend one of these sessions. I'm really looking forward to welcoming you all to these sessions and to continue our work in promoting a healthy and active lifestyle within our community. If you have any questions or concerns, please don't hesitate to get in touch.
